Dear Community Member:

In preparation for Town Meeting 2015, the Planning Board in collaboration with the Economic Development Council plans to host a series of Andover Tomorrow Zoning Workshops. At our first meeting on October 16<sup>th</sup>, we plan to explore the exciting opportunities for new commercial, residential and open spaces that can be realized in the so called "TOD" (Transportation Oriented District).

The goal of this workshop is to listen to you, neighbors and interested community partners in helping develop a creative, yet thoughtfully planned out vision for this area of Town.

If you are interested in learning more about the process and participating in helping create the vision for this area, please join us on October 16<sup>st</sup>, 7:00 pm, Memorial Hall Library, 2 North Main Street

Transit Oriented Development District
